BROKERAGE EVENT MATERIALS

We want to thank all the participants that attended the **AgroFossilFree Brokerage Event** organized last June 22nd in Brussels. Special thanks to the speakers:

- **Lucile Sever (Policy Officer):** On-farm biogas, a tool to achieve a circular, regenerative and fossil-free agriculture.
- **Wouter Merckx (HyPERFarm's Project Coordinator):** Upscale case studies of Fossil-Energy-Free Technologies and Strategies (FEFTS) applied in farming.

And to the panel discussion speakers:

- **Gilles Mayer (CNH Group)**
- **Peter Pickel (John Deere)**
- **Jean-Marc Jossart (Bioenergy Europe)**
- **Thomas Garabetian (Solar Power Europe)**
- **Gottlieb Basch (European Conservation Agriculture Federation)**

We would like to share with you the [photos](#) of the event and if you [click here you can download the presentations](#) used during the event.

We wish you all a nice summer!
Thank you so much.
